* There are risks associated with any treatment procedure and individual results may vary. Please consult the dedicated professionals within the ECT program at The Brook Hospitals to assess if you are a candidate for ECT treatment. Our Medical Staff will also consult with you on the risks and benefits of ECT treatment if you are a suitable candidate. Physicians are on the medical staff of The Brook Hospitals, but, with limited exceptions, are independent practitioners who are not employees or agents of The Brook Hospitals. The hospitals shall not be liable for actions or treatments provided by physicians. Model representations of real patients are shown. Actual patients cannot be divulged due to HIPAA regulations.
