

Let's build a better world
 where people's lives
 and communities are
 made whole again
 through the successful
 treatment of substance
 use disorder.

SERVICES OVERVIEW

Pinnacle Treatment Centers is committed to providing safe, medication-assisted treatment and counseling for drug addiction to help patients and their families reclaim their lives and future. We provide a range of outpatient treatment options to people suffering from addiction to opiates. Treatment is individualized based on a clinical assessment of each patient's needs.

WE'RE HERE FOR YOU.

If you or someone you know is abusing drugs, alcohol or pharmaceuticals, our proven, evidence-based treatment methods make a lasting recovery possible. In addition to our MAT programs, Our Pinnacle Treatment Center Network offers inpatient and outpatient programs, medically assisted detox, and other individualized treatment plans to help transform lives, families, and communities we serve.
