

Addiction Recovery Center— Women’s Residential

About

Seven Counties Services, Women’s Residential Program uses an evidence-based COR-12 model (12-steps with medication assisted treatment) and trauma-informed treatment specifically for women. This 30-45 day residential program reduces outside distractions and offers a safe, structured environment that provides a solid foundation for recovery.

- Individual, Family & Group Therapy
- Support group meetings: AA, NA, SMART recovery
- Wellness: yoga, meditation, exercise
- Medical oversight
- Referrals to: permanent & supportive housing
