

What we offer

Drug and Alcohol Assessments

Designed to provide an appropriate recommendation for treatment level based on a bio psychosocial interview utilizing American Substance Abuse Medicine (ASAM) criteria.

DUI Classes

State certified and licensed
Prime for Life Curriculum

Victim Impact Panel

A two hour class that has guests and video testimony to show how much damage is done by driving impaired. This helps to recognize and internalize the lasting and long-term effects of substance-impaired driving.

Low Intensive Outpatient

Consists of group sessions lasting for 2 hours once a week. LIOP is designed for those whose problems are not yet severe. This level is also used for relapse treatment, intervention and prevention.

What we offer

Batterer's Intervention Program

For people who perform intimate partner violence.

Battering is defined as “a constellation of physical violence, sexual and psychological abuses.” Batterers' Intervention Programs are methods of developing positive familial relationships. They utilize education and psychological therapy to deal with the underlying causes of the battering, while protecting the victim and affected children.

Youth Prevention Program

A diversion program for first time offenders
Targeted at young adults who may have signs of increased risk for developing problems, as well as those already making high-risk alcohol or drug choices and who may be exhibiting signs of problems.

Anger Management

Anger management is a procedure of acquiring the skills to recognize signs that you are becoming angry, and taking action to deal with the situation in a positive way.

What we do

Specializing in substance abuse prevention, education, and long term relapse prevention. Solutions Education Center promotes healthy communities and meets client's identified needs by providing quality alcohol and drug education.

Solutions Education Center takes a holistic approach and seeks to educate clients about the various elements of legal, social, mental, emotional and physical health which are often impacted by substance use and abuse.

Solutions Education Center's staff makes appropriate referrals to intensive outpatient and inpatient treatment when the need is identified.

It is the mission of Solutions Education Center to provide quality alcohol and drug education for those in need including low income individuals and at-risk youth and their families.
