We're here to help connect you to the most appropriate care and treatment.

Assessment

Begin your care through our intake assessment, which is the first step in determining the most appropriate plan of care.

Therapy

To best meet your needs and preferences, therapy is offered in-person and via telehealth.

Medication Management

A team will provide comprehensive psychiatric drug therapy, illness management, and education.

Outpatient Substance Use Treatment

Receive individual and group therapy, with a harm-reduction approach to support your journey of healing and recovery.

Care Coordination

A TennCare member benefit that will help optimize your physical and mental health needs.

Criminal Justice and Re-Entry

Linkage to treatment, housing, and employment supports for those exiting justice system back to community.

*Our team of compassionate, caring professionals are here to support your journey to hope, healing, and recovery. Reach out to us today to take the first step to a better tomorrow.*
