

YOU'VE MADE THE HARD CHOICE TO GET SOBER

Now it's your chance to build something solid – a life free from addiction! Monolithic Recovery offers safe, sober transitional housing for men & women leaving jail, prison, treatment, or homelessness. We provide the structure, accountability, and peer support you need to stay clean and create lasting change.

“We don’t just give you a bed – we help you lay a new foundation.”

OUR PROGRAM

We are a structured sober living program for men & Woman who are serious about recovery. Our homes are drug and alcohol-free environments designed to support long-term success and recovery.

- Safe, sober, structured homes
- 3 to 24 months of stay (based on your progress)
- Random drug and alcohol testing
- Peer support from men who understand reentry
- On-site 12-Step meetings and a strong emphasis on working a recovery program
- Help with job search, resumes, ID/documents, budgeting, and parole compliance
- Daily chores, curfew, house meetings, and accountability
- Affordable daily rate (approximately \$21/day – financial assistance options may be available)
- We focus on personal responsibility, honesty, and respect. This is a place where you can rebuild your life one day at a time

WHAT WE EXPECT FROM YOU

- Complete honesty at all times
- Zero tolerance for drugs, alcohol, or violence
- Attend recovery meetings regularly
- Seek and maintain employment or an approved daily structure
- Follow house rules and participate in chores/meetings
- Work with staff on your reentry and recovery goals

Monolithic Recovery
Safe • Sober • Structured •
Second Chances

IN RETURN YOU'LL RECEIVE

- A safe place to live and grow
- Guidance from staff who respect your past but focus on your future

**You survived addiction.
Now let's build a life you
don't want to leave.**
