

Start Your Comeback Story.

Addiction Treatment for Fentanyl, Heroin, Prescription Opioids, and more.

Pinnacle Treatment Centers offers personalized, accessible addiction treatment, including Medications for Opioid Use Disorder (MOUD) coupled with counseling.

We're here to help you reclaim your life and future.

You can change your life today.

“The BEST place to begin your journey to sobriety. Very friendly staff that actually care about you. Even after my program ended, they would call to see how I am doing. People like that are rare!
